HIGHLIGHTS

Natalie Berndes (editor of the 2000 Paradise Found) is the 2017 Queen. She is 102 years young and will be riding in Jeanie Hansen's white convertible – she will be smiling and carrying red flowers. Her son follows in the Pumpkin Truck.

We have 3 Kings for our parade – they have donated countless hours of work thru the years and created a tradition of helping others and volunteering. They are riding in the Moeller's red truck and sitting, for a change, on their thrones. Art McLean, Ron Teig, and Tony Farias.

Your Couple of the Years 2017 is Nancy and Jim Majeski who have lived in this park on San Benito since 1979.
